KRATOS EP 0/00

Description

Kratos EP 0/00 is a semi -fluid, multipurpose grease based on high viscosity base, lithium soap thickener and EP/AW additives. This product is developed for the lubrication of gear boxes and central lubrication systems on trucks, earthmovers, agriculture machinery and industry. Can be used where a NLGI class 0/00 is required. The consistency and base oil viscosity of Kratos EP 00 makes this product suitable for use in Willy Vogel and Groenenveld centralized lubrication systems and light duty closed gears.

Application

Kratos EP 0/00 is a high performance grease with EP additives. It has been especially developed for trucks and buses, equipped with a "Willy Vogel" central lubrication system.
